

ARFINN PORTAL CASE NUMBER: \_\_\_\_\_

ARFINN PORTAL CASE NUMBER PASSWORD: \_\_\_\_\_

Go to [www.arfinnmed.com/patients](http://www.arfinnmed.com/patients) and enter your password and state where you received treatment. You can then select a number from 1-5 to alert your doctor to your symptom improvement as well as update them on additional information including cannabis strain and/or delivery mode.

The scale is as follows:

- 1: Adverse Reaction
2. No Change
3. Partial Resolution of Symptoms
4. Significant Resolution of Symptoms
5. Total Resolution of Symptoms

You do not have to create an account, password, or enter any additional information. Your participation in this process can greatly improve communication between you and your medical professional, as well as help find the appropriate medication and dosing for your situation. If you have any questions, please contact your physician, or email [jwest@arfinnmed.com](mailto:jwest@arfinnmed.com).
